

MR LUKE

DJ :

Mr Luke is a French DJ and producer from Lyon. He started his career at the Palais in Megève with famous PR Jean-Roch. Then, after 14 seasons at Caves he moved to the French Riviera as resident DJ in Cannes night clubs (Loft, Palm Beach, Tantra, Plage 45) Nice (Avenue, Pure, Consulat, Umi) and Saint Tropez. He is also playing in gorgeous venues for private parties during Cannes Film Festival and special events all around the world in USA, UAE, RUSSIA, IBIZA....

PRODUCER :

Owner of Moving Head Records, he released more than 50 tracks. With his partner Nicolas Saad, he released 3 albums, and went on the top of iTunes sales on dance category. "Monday Highlife", number 3 on iTunes, "Reset", number 2, and finally the biggest success for "3.0" with number 1 place in the charts. Now, working in a solo career and a brand new album "Radiography" available worldwide since December 2019.

RADIO :

Creator with his partner in crime Nicolas Saad of "What's going on ?" weekly radio show on RADIO MONACO, he made people discover the latest and underground tracks of House, Deep House, Nu Disco and Soulful House, never forgetting the roots with golden hits of R'n'B, black music and funky tracks. Mr Luke is also hosting a weekly show on www.housemusicmix.fr

COMPOSER :

Mr Luke is also a talented composer of his own EPs and Albums production. He owns a studio in the French Riviera to create new gems for several artists and DJ all around the world for remixes and original tracks. He used to collaborate with world known famous Bernie Grundman for his mastering. Mr Luke doesn't put limits in his art : clubbing, live gigs, production for artists, DJs, commercials, movies and gaming soundtracks.
